**Title: BARRIERS TO QUALITY PATIENT CARE IN RURAL DISTRICT HOSPITALS;**

**By: Eygelaar JE and Stellenberg EL**

I am pleased to submit the above article after successfully completing the corrections.  
Corrections have been done as requested namely:

The introduction was refined

Professional development addressed

A list of definitions of concepts inserted

The conceptual framework based on Donabedian was addressed

Contextual to the design was added.

Population and sampling refined

Do not hesitate to contact me for any further clarifications.

Your support in this regard is highly appreciated

Yours sincerely

Dr Ethelwynn L Stellenberg (Co-Author)
